WORK EXPERIENCE

UX Designer Internship
Comida For Familias, Inc.

03/2021 - 06/2021   *Suisun City, CA*
technology can be utilized to bring people and communities together to solve humanities' most basic needs.

Achievements/Tasks
- Participated in the UI/UX design of "Maaath". Worked as part of a larger team to solve design and development issues in the product. Participated in Software Development Life Cycle of both front end and back end.
- Paired up with a co-worker as a team to redesign the official website based on results from surveys and interviews we performed, website feedback, then analyzing all components to improve the workflow.

Contact: Antonio Mendieta - amendieta@comidaforfamilias.com

Volunteer
Fraser

03/2021 - 07/2021   *Minneapolis, MN*
Fraser is Minnesota's largest and most experienced provider of autism and early childhood mental health services.

Achievements/Tasks
- During the pandemic, I shared my enthusiasm for helping children with the non-profit organization Fraser. I wanted to share the joy and hope with the children at Fraser. I created personally crafted cards with uplifting messages along and inspirational sayings, plus I made various crafts by hand for the children to share and play with.

SKILLS

HTML   CSS   JavaScript   SQL Database   Java

python   AdobeXD   Microsoft Office   Git

Supply Chain management   SCRUM   Google Slides

PROJECTS

Kagoshima Sushi bar web page (08/2021 - Present)
- Designed homepages for sushi restaurants to help them present their brand image.
- Migrated from older Adobe Flash based website to UX/UI.

Project from generation program (07/2021 - Present)
- This is a Task management page project. As a team leader, I communicated, collaborated, and lead my teammates to complete projects on time meeting all objectives. Mentored team members who need additional assistance with coding.
